The screenshot shows the Viettel DNS Control Panel interface. At the top, there is a header with the Viettel logo and navigation links: Manage domains, My profile, Guide, and Tech Support. Below the header, there is a section titled "MANAGE DOMAINS". A message indicates the user is logged in as "thvathcsmaison.edu.vn". Below this, there is a search bar with a "Search" button and an "Add new domain" button. A table lists the domains, with the first row showing the domain "thvathcsmaison.edu.vn" which is highlighted with a red box and a red arrow pointing to it. The table columns are: Registered Date, Domain, Domain Status, Request Status, Changed Date, Transfer Status, and Action. The status of the domain is "Available". Below the table, there are options for "Items Per Page" (set to 10), "Export Data", and "View Domain DNS". At the bottom, it says "There are 1 domains on this system. Page 1/1".
